

FIG. 2 is a schematic diagram of a system 200, including a first device 210, a second device 220, and a third device 230. The first device 210 includes a first component 211 and a second component 212. The second device 220 includes a third component 221 and a fourth component 222. The third device 230 includes a fifth component 231 and a sixth component 232. The first device 210 is connected to the second device 220, and the second device 220 is connected to the third device 230.
